Winter: 3pm, **Spring & Autumn:** 3:45pm, **Summer:** 4:15pm.

Keep in mind, accommodation check-in is from 2pm. To prevent stress resulting from time-constraints we recommend that guests either sleep over the night before OR arrive on the farm already dressed and in time to quickly check in and attend the ceremony. The earliest the ceremony can begin is strictly at 3pm.

ACCOMMODATION

We have booked accommodation for 16 of your nearest and dearest in your package. Once your wedding has been booked please encourage your other guests to book the rooms they require as soon as possible as our accommodation is very popular and is booked up to 2 years in advance. 50% deposit payable upon booking and the remainder is payable 3 months before the wedding.

Your venue hire does not guarantee exclusive use of the guest accommodation, only the wedding venue facility, Bridal Room, Groom's Room, Honeymoon Suite & Cabinville. Please note that Room 7 (The Suite) is your Bridal Room where you get dressed. You can allocate The Suite to two of your guests to sleep in on the night of the wedding but please note that check-in is after 4pm (to allow our staff to service the unit when the wedding starts). Please ensure all items are packed up neatly so that they can be moved over to your Honeymoon Suite to allow your guests to check in.

Accommodation that is not included in your package will be available at our standard rates, as listed on our website. Unfortunately, we are unable to offer additional discounts beyond the package inclusions.

CONCIERGE SERVICE

Our Bridal Concierge Service is all about giving you and your partner the VIP treatment you deserve on your wedding day. A dedicated butler and private golf cart (with your butler at the wheel) will ensure everything flows effortlessly, so that you can simply enjoy the moment. We'll deliver any extra food or drink requests (any additional costs will be deducted from the breakage deposit), and assist with all those essential tasks that make the day run smoothly. Please note: The golf cart is reserved exclusively for the couple and not for other guests. For your photoshoot, you will still be chauffeured around the farm with our kombi and driver, as the golf carts aren't able to venture out onto the farm.

FURRY FRIENDS

We understand that your beloved dog is a special part of your family, and we are delighted to have them here for your wedding ceremony and photoshoot. Feel free to bring your dog along to capture those memorable moments together. However, please note that our overnight units are unable to accommodate pets. We kindly request that you appoint someone responsible to take care of your furry friend and take them home after the festivities. This will ensure that you can fully enjoy your special day without any concerns about your pet's well-being. Please let us know in advance if you plan to bring your doggie companion, so we can make appropriate arrangements to make their experience comfortable. Thank you for your cooperation!

TABLE WINE AND BAR

All beverages are to be purchased through Rosemary Hill. All beverage prices are subject to change. Sparkling wine and table wine will be levied with a corkage fee (R95 per bottle, 2026) if brought in and will be charged to the final wedding invoice to be paid two weeks prior to your wedding. Bar tabs and special requests to be discussed with management. Specially requested drinks (not consumed) will be deducted from your breakage deposit and returned to you. For your safety we are a strictly cash-free zone. We accept cards, Snapscan and Zapper at the bar (please include this info in your invitation). To view the wine list please visit: <https://rosemaryhill.co.za/wine-list/>

DJ & MUSIC

Your package includes a DJ. Should you wish to use your own DJ, our sound engineer will still be on site to ensure correct use of our built-in equipment. For this reason, there will be no discount when using your own DJ. Rosemary Hill reserves the right to control the volume of the music during the function. The music will end at midnight. Guests may linger by the bonfire bonfire or boma (subject to chosen venue), until 2am if they wish to stay longer. Unfortunately speakers are not allowed.

FOOD TASTINGS

Food tastings are strictly scheduled on predetermined dates. You can attend either a Buffet or a Plated tasting. Should you be unable to attend one of these dates, please send a family member or friend to attend on your behalf. Booking is essential and must be done 3 weeks before the tasting date. We host 4 x Buffet tastings per year and 3 x Plated tastings per year. One tasting per couple only. Private tastings can unfortunately not be accommodated.

SET-UP GUIDELINES

- **Early Access:** Enjoy exclusive access to the reception venue from 8am to 4pm the day before your wedding, ensuring ample time for preparation. For the harmony of all guests, we kindly request maintaining a tranquil ambiance in the morning, as other celebratory events may be unfolding.
- **Day-of Preparations:** On your special day, you can seamlessly prep the ceremony, canapés, and other areas from 8am up to 11am. Kindly note that venues need to be freed up after 11am to allow our team to perfect the settings.
- **Preserve Our Craftsmanship:** We kindly request that you do not use our precious wooden reception tables as workstations.
- **Efficient Offloading:** Selected vehicles have permission to briefly park close to the venue for offloading purposes. Following this, vehicles can find a spot in our designated parking areas.
- **Post-Event Collection:** Personal effects and decorative items have to be collected by 12pm the next day.

COFFEE SHOP & TRAILS

Last kitchen orders at 3pm. Last drinks orders at 4pm. Trails close at 6pm.

CLOSING TIME

The Barn/Distillery will close at midnight, to allow our staff time to pack away and clean the venue. Guests are welcome to continue the celebrations at the bar area. Last rounds will be called at 11:30pm and the bar will close at 12:00am but will stay open between 12:00am and 01:00am subject to support (and at the barman's discretion). The bar closes at 01:00am to allow our staff time to close tabs and clean before 02:00am, at which time all guests will have to return to their respective accommodations. The liquor licence stipulates that we may only trade until 02:00am.

ASSISTANCE FROM YOUR COORDINATOR:

Should you have questions or if you require additional information, your coordinator is here to assist you. Please keep in mind that administrative tasks and emails are typically addressed from Wednesday to Friday between 8am and 4pm, unless your coordinator is engaged in overseeing a wedding event at that time.

When planning a visit to the farm, kindly ensure you arrange an appointment with your coordinator.

SIX MONTHS BEFORE YOUR WEDDING:

Plan a meeting with your coordinator to conduct a venue walk-through. During this visit, we will delve deeper into your requirements while enjoying a cup of coffee.

THREE MONTHS BEFORE YOUR WEDDING:

At this juncture, we will send you a reminder to schedule a date for a table mock-up with your chosen florist. Please note that table mock-ups are arranged on weekdays. In the event you and your florist decide that a mock-up is not necessary, we will schedule a meeting to go through the wedding work sheet in detail.

ONE MONTH BEFORE YOUR WEDDING:

If you possess any final information that has not yet been shared with your coordinator and you prefer to convey it in person, please arrange an appointment, on a weekday.

IMPORTANT NOTICE:

At Rosemary Hill, we maintain a culture of respect, fairness and inclusivity. We unequivocally condemn any form of rudeness, racism, or discrimination directed towards our valued staff members. We hold all parties accountable for upholding principles of mutual respect and courtesy at all times. Your cooperation in this matter is appreciated.

THREE WEEKS BEFORE YOUR WEDDING:

As we approach your special day, we kindly request the following information in written format, if it has not already been provided:

- **Final Menu Selection:** Please confirm your final menu choices, along with any specific dietary requirements for your guests. Guests cannot order on the day.
- **Bar Special Requests:** If you have any special requirements for the bar service, please communicate them to us at this time.
- **Wedding Invitation or Website Link:** We require a scanned copy of your wedding invitation or a link to your wedding website for reference.
- **Programme and Formalities:** Please share a copy of the programme and details regarding the formalities planned for your wedding day.
- **Table Seating Plan:** Provide us with your table seating plan, ensuring a smooth seating arrangement for your guests.
- **Guest List:** To facilitate access control, we need a complete guest list that includes the names of all attendees.
- **External Service Providers:** Share the names and contact details of all external service providers, including those responsible for your flowers and décor, hair and make-up, wedding cake, photographer, videographer, etc.
- **Photographer Site Visit:** If your photographer has not yet visited Rosemary Hill, please arrange a site visit for them. Booking in advance is essential to ensure they are familiar with our venue.
- **Guest Count Reminder:** You will receive a friendly reminder that we will require your final guest count, including a breakdown of children between 6 and 12 years of age, as well as children under the age of 6, one week later. At this time, you will also receive your final invoice for payment.
- **Service Provider Inclusion:** Please include all of your service providers in your final guest count for the evening of your wedding, including their assistants. Rosemary Hill provides meals for up to 4 service providers (non-friends or family members not seated with your wedding guests), such as the DJ and photographer. We will deduct their costs from your invoice, ensuring accurate preparations for your celebration.

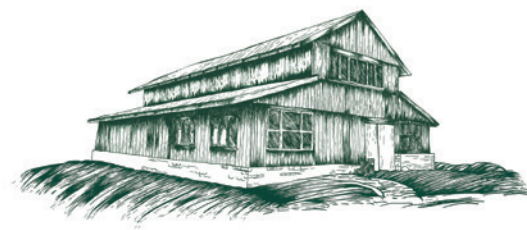

TWO WEEKS BEFORE YOUR WEDDING:

In anticipation of your special day, we will dispatch your invoice, which is to be settled 14 days prior to your wedding date. To ensure a seamless and well-coordinated event, kindly check that all wedding-related details and requirements are furnished within the timeframe leading up to your wedding.
